

Short-Term Mission Scholarships

Believing that God has commissioned us to go into all the world to preach the Gospel, and that He will bless those who have a strong commitment to the financial support of missionary and evangelistic work, Hamilton Baptist Church has established a scholarship program to assist its members in taking part in worthwhile short-term mission projects. Each member of Hamilton Baptist Church will be eligible for an annual "Mission Scholarship" based on availability of funds and church mission priorities to assist them in raising the necessary funds for such an endeavor.

Scholarship Funds may be available from three separate funding sources:

1. The Volunteer Missions Assistance Line Item in the HBC General Fund Budget. These funds are typically allocated each year into the HBC General Fund Budget to be dispersed by the elders in support of members or their children desiring to participate in short-term mission opportunities (both national and international). These funds are intended to provide need-based scholarships to members and are limited to 25% of the planned trip cost (up to a max of \$500).
2. The National Missions Team Designated Fund. The National Missions Team may set aside each year a portion of their Designated Fund to be dispersed to HBC members or their children desiring to participate in short-term mission opportunities within North America. To determine availability of funds and/or restrictions and limitations, please contact the National Missions Team Leader (Josh Miller).
3. The International Missions Team Designated Fund. The International Missions Team may set aside each year a portion of their Designated Fund to be dispersed to HBC members or their children desiring to participate in short-term mission opportunities outside North America. To determine availability of funds and/or restrictions and limitations, please contact the International Missions Team Leader (Josh Miller).

To be considered for a scholarship from any of these sources, a member must complete and submit an HBC Volunteer Missions Scholarship Application. This application is designed to gather enough information to enable church leaders to determine the merits of your request for Volunteer Missions Scholarship Assistance. All HBC Scholarship Assistance is subject to the availability of scholarship funds and church mission priorities. If more information is needed to determine if your request is a candidate for funding, you will be contacted by an elder or one of the Mission Team Leaders.

Please complete this application as accurately as possible. All applications should be submitted to the elder with oversight of missions (currently Josh Miller) at least 30 days in advance of the trip. As soon as the application has been reviewed and processed, you will be notified.
